Appendix A
FY 2003-2004 OPERATING BUDGETS

Mr. Roubique, Deputy Commissioner for Finance and Facilities, presented an overview of the FY 2003-2004 Operating Budgets. He indicated that the FY 2003-2004 Operating Budgets reflect increases in both State Funds and Self-Generated Funds. The State Funds increases were approximately $71.8 million in the General Appropriations Bill and another $18 million in the Capital Outlay Bill. The mandated cost of Civil Service merit adjustments, risk management adjustments, group insurance and retirement rate increase totaled $46.8 million. The Performance and Quality Pool was $5,250,000 and the Community and Technical Colleges and Academic Centers Pool was $5 million. The Pharmacy and Allied Health programs at the University of Louisiana - Monroe received $1.5 million increase and the LSU Health Sciences Center - Shreveport received an additional $5,061,653 for additional operating expenses. Additionally, there was an appropriation of $2.7 million for Health Care Workforce Development. Of this amount, $1.6 million was designated for Delgado, $300,000 to Southeastern, $700,000 for the other institutions and $100,000 for the Health Works Commission.

In addition to the State Funds, the institutions in the LSU System, the University of Louisiana System and the Southern University System were authorized to increase tuition by 3% and charge an Academic Excellence Fee of up to $240 per year. Institutions in the Louisiana Community and Technical College System were authorized to increase tuition by 3% and to implement an Academic Excellence Fee of up to $180 per year. If fully implemented, the institutions would generate approximately $42.8 million. This increased funding has been incorporated into these Operating
Budgets. The funds have been used to hire additional faculty, to provide salary adjustments, and to provide additional operating expenses.

The LSU Health Sciences Center in both New Orleans and Shreveport, the LSU Ag Center and the Southern Ag Center received additional funding from the dedication of Tobacco Revenues that was authorized last year. These funds have been incorporated into the Operating Budgets of these institutions.

The total Operating Budgets for Postsecondary Educational institutions are approximately $2.2 billion, with approximately $1.034 billion in State General Funds and approximately $140 million in State Dedicated Funds. The total Operating Budgets for the 4-YR and the 2-YR institutions are approximately $1.35 billion.
