We received very limited feedback to the e-mail that was sent to you on May 30th about the attached document. We would feel better if we received a bit more feedback before moving forward. Would you please examine the attached document and provide feedback by Thursday, July 3? If you feel we should move forward with no changes, please let us know.

We also received very little feedback from the B2K Syllabi Workgroup. Thus, we have cancelled a conference call that we had planned to have on June 27 with the B2K Syllabi Workgroup. We have also asked them to provide more input by July 3.

Please feel free to contact me if you have any questions.
