LICENSE RENEWAL PROCEDURE

According to R.S. 17:3141.4B(2), "If the application for a license renewal is not received at the Commission office at least thirty days prior to its expiration date, in addition to the renewal fee, there shall be a delinquent fee of five hundred dollars. . . . ". Failure to furnish ALL the renewal information prior to the license expiration date will cause the license to expire. There can be no exceptions or any other extension.

We will work with you during these 30 days prior to expiration if assistance is needed to become compliant. Your school’s renewal application will be considered by the Proprietary Schools Advisory Commission. The Commission’s recommendation will be forwarded to the Board of Regents for its consideration.
