#### **PUBLIC COMMENTS**

No public comments were provided.

#### **REVIEW AND APPROVAL OF INTERIM REPORT**

Dr. Reed invited Task Force members to share their comments, suggested edits, and observations concerning the interim report. There was lengthy discussion regarding the impact that dual enrollment (DE) would have on students taking the Advanced Placement (AP) exam as well as the topic of transition courses. Mr. Mike Faulk posed the question as to what states use transition courses and whether they are successful. Mr. Adam Lowe, Education Strategy Group (ESG), responded that the SREB has a number of initiatives. He stated that those colleges are working with the high schools to make sure transition classes are aligned with college courses so that the student may earn college credit. Dr. Reed noted that the Task Force should dive deeper into this topic and flag it on its 2020 plan. Dr. Reed informed the Task Force that there is a \$5.5 million dedication in the proposed budget for DE, with \$3.5 million for the Innovative Equity Grant and \$2 million for the expansion of the LCTCS mobile laboratories to deliver college courses specifically in areas unable to deliver advanced STEM and CTE courses. Mr. Faulk suggested that a future step should be to revisit the requirements for DE that were changed two years ago. Dr. Jeannine Kahn informed the Task Force that the College & Career Readiness Commission is to meet in March and Dr. Reed will walk through the report with this Commission as well. Dr. Reed gave immense thanks to everyone who has participated in this charge and it was with a joint acclamation that the Interim Task Force Report was received, with edits, then forwarded to the Task Force, Governor's office, and Legislature upon completion.

### DISCUSSION OF PROPOSED TASK FORCE PRIORITIES FOR 2020

Dr. Reed introduced Mr. Lowe, ESG, to discuss the proposed priorities of the Task Force for 2020. Mr. Lowe reviewed emerging topics to be considered in the future, such as funding, accountability systems, and teacher development. The topic of communication was discussed at length as well the need to have all information concerning DE parent meetings, training for teachers and counselors, etc. in one central location. Dr. Reed stated that the list of emerging topics discussed will be distributed to the Task Force with a set deadline for members to submit additional suggestions. When discussing future meetings, Dr. Reed suggested that the Task Force convene after the legislative session and indicated that a Doodle poll will circulate to collect everyone's choice of day and time.

### OTHER BUSINESS AND ADJOURNMENT

Dr. Reed invited Ms. Patricia Felder, Executive Director for Career and Technical Education at LCTCS, to provide a brief update to the Task Force concerning the Perkins V plan. Ms. Felder provided a one-page document detailing the process for plan development. Perkins V provides support funds to support DE with the funding split between postsecondary and secondary eligible recipients.

The meeting was adjourned at 5:03 p.m.
