AGENDA ITEM III.

2023 Legislative Update

AGENDA ITEM III.

2023 Legislative Priorities

Governor's Military and Veteran Friendly Campus HB 72, Rep. Brass/Sen. Foil
Authorizes the BOR to establish the GMVF designation to recognize higher levels of excellence in providing support to military and veteran populations and changes the renewal period from one to two years, with interim reports to the BOR.

Power-Based Violence SB 202, Sen. Barrow
Revises current laws to add prompt reporting time frames for execution of criminal justice MOU(s), clarify training requirements for employees and ensures continued coordination of the campus climate survey with public postsecondary management boards and stakeholders.

Regents Board Meetings HB 6, Rep. Hughes
Allows the BOR to conduct its first meeting of the year anytime in January, thus allowing Regents the flexibility to schedule all meetings at the same time of the month for the full year.

AGENDA ITEM III.

2023 Educator Workforce

Teacher Recruitment, Recovery, and Retention

HCR 17, Rep. Mincey

Extends the sunset date of the Teacher Recruitment, Recovery, and Retention Task Force from July 13, 2023, to July 13, 2025.

Teacher Reciprocity

HB 472, Rep. Mincey

Grants a valid five-year Louisiana teaching certificate to an out-of-state applicant who is military personnel or the spouse of military personnel, if the applicant is fully certified.

Teacher Certification

SB 197, Sen. Peacock

Amends many statutes regarding teacher certification. One new provision allows a person with a bachelor's degree from an accredited postsecondary education institution to teach in a shortage area at a secondary school using a provisional certificate, if the person has graduated with at least a 2.50 average on a 4.00 scale and has passed the content knowledge exam.

AGENDA ITEM III.

2023 Educator Workforce

Associate Educator Program

SB 81, Sen. McMath

Allows individuals with an associate degree to teach in the content area related to the participant's associate's degree provided that they are enrolled in a four-year college teacher preparation program, age 25 or older, and prohibits the participant from teaching in a class for students with exceptionalities, unless it is a class for gifted or talented students.

Teacher Pathways

HR 190, Rep. Freiberg

Requests the state Department of Education, in consultation with the State Board of Elementary and Secondary Education, to study pathways to the teaching profession.

AGENDA ITEM III.

Bills Requiring BOR Involvement or Implementation

LA FIRST

SB 205, Sen. Cortez

The BOR shall establish and maintain Louisiana's Foundational Integrated Research System for Transformation (LA FIRST).

National Guard Patriot Scholarship Program

HB 485, Rep. Brass

Creates the Louisiana National Guard Patriot Scholarship Program, to be administered by LOSFA, to cover the cost of mandatory fees for members attending Louisiana public postsecondary education institutions.

Affordable Textbooks Pilot Program

HB 644, Rep. Lafleur

Creates the Affordable Digital Textbook and Learning Materials Subscription Pilot Program to be developed and implemented by BoR.

AGENDA ITEM III.

Bills Requiring BOR Involvement or Implementation

State's Articulation and Transfer Process

HCR 5, Rep. Echols

Requests BOR conduct a study relative to the state's articulation and transfer process with respect to career and technical education courses.

State's Articulation and Transfer Process

HR 101, Rep. Echols

Requests BOR conduct a study relative to the state's articulation and transfer process with respect to high school students who complete career and technical education courses and earn industry-based credentials.

College and Career Readiness Outcomes

SCR 37, Sen. McMath

Requests BESE and the Board of Regents to publish certain information annually relative to college and career readiness outcomes.

AGENDA ITEM III.

Bills Requiring BOR Involvement or Implementation

Physician Shortage

HCR 83, Rep. Echols

Requests a representative from the Board of Regents to sit on a task force to study, identify, and make recommendations to address the specialist physician shortage in the state.

Prison Education Programs

HR 174, Rep. Freeman

Requests a member of the Board of Regents to sit on a taskforce to study the educational programs in the prisons and jails in this state.

AGENDA ITEM III.

Financial Aid/Eligibility

TOPS Eligibility

HB 327, Rep. Seabaugh

Extends TOPS to children of parents living overseas.

MJ Foster Cap

SB 120, Sen. White

Eliminates separate allocations between public and proprietary schools.

MJ Foster Changes

SB 204, Sen. Hewitt

Provides for several changes to MJ Foster award, such as applying the award before any federal, state, and institutional aid is applied for the first semester, but limits the award to tuition, fees, and mandatory books and instructional materials costs.

AGENDA ITEM III.

Miscellaneous

Nursing Education

HB 320, Rep. Turner

Permits a nursing student who completes a course in the fundamentals of nursing offered by a practical or registered nursing program to register as a certified nurse aide (CNA) without having to complete a separate certified nursing training or competency evaluation program.

Open Meetings Law

SB 201, Sen. Hewitt

Allows statewide advisory bodies and taskforces to meet via electronic means, subject to certain restrictions, not BOR meetings.

Promotional Agreements Prohibition

SB 191, Sen. Smith

Prohibits public postsecondary education institutions from entering into promotional agreements with gaming entities.

STAFF RECOMMENDATION

Senior Staff recommends approval of the Consent Agenda containing the small capital projects report as presented.

AGENDA ITEM IV.

Act 959 Projects: LSU HSCNO Campus Data Center Replacement

- The LSU Board of Supervisors submitted a project on behalf of LSU Health Sciences Center New Orleans to replace the current campus data center.
- The new data center will improve security and environmental controls for new server equipment while occupying a smaller footprint on campus.
- The new data center will be housed on a new floor of the current building, and the existing data center will be demolished upon completion of the new site.
- Project cost is approximately \$2M, and the project will be funded with self-generated revenues associated with physician leases and indirect cost allocations from federal grants.

AGENDA ITEM IV.

Act 959 Projects: ULL NIRC Building 60 Cage Wash and Non-Human Primate Housing Facility

- The ULS Board of Supervisors submitted a project on behalf of the University of Louisiana at Lafayette for the purpose of constructing a new Building 60 at the New Iberia Research Center to house cage wash equipment and non-human primate housing space.
- The scope of work involves constructing a 14,000 square feet concrete block and metal building with the appropriate service and storage space in addition to the housing and cage wash equipment areas.
- The project cost is approximately \$4.722M and will be funded with self-generated revenues derived from the Center's research and breeding activities.
- BOR approval is contingent upon ULS approval on June 22, 2023.

STAFF RECOMMENDATION

Senior Staff recommends approval of the two Act 959 projects submitted on behalf of Louisiana State University Health Sciences Center New Orleans and the University of Louisiana at Lafayette's New Iberia Research Center to replace the campus data center and construct a new facility for cage wash equipment and non-human primate housing, respectively. The University of Louisiana at Lafayette approval is contingent upon University of Louisiana System approval during their June 22, 2023, meeting.

AGENDA ITEM V.

Third-Party Project: ULM Athletics Improvements

- The ULS Board of Supervisors submitted a third-party project on behalf of the University of Louisiana at Monroe (ULM) to improve athletic facilities across campus.
- ULM will lease the sites to University of Louisiana at Monroe Facilities, Inc. (ULMFI) which will be responsible for replacing the turf in Malone Stadium, installation of a football video board, basketball video board, LED lighting for football, baseball, and softball as well as upgrades to the beach volleyball facilities.
- The total project cost is not to exceed \$6M, which includes all bond-related costs. The debt service will be satisfied through revenues collected from multiple student-assessed fees.
- Upon completion of the project, the improvements will be leased back to ULM with an option to purchase.
- BOR approval is contingent upon ULS approval on June 22, 2023.

STAFF RECOMMENDATION

Senior Staff recommends approval of the third-party project submitted by the University of Louisiana System, on behalf of the University of Louisiana at Monroe, to construct improvements across multiple athletics facilities.

The University of Louisiana at Monroe approval is contingent upon University of Louisiana System approval during their June 22, 2023, meeting.
