Human Sciences & Education

Integrative Community Studies Program

Paul Mooney & Willie Louviere

LSU *Community*

LSU Integrative Community Studies (ICS) is a two-year certificate program designed to provide individuals with moderate disabilities a life-changing university experience.

Goal: Independent Living ➡ *Community!*

The ICS Program is a residential experience that is designed to

- Provide functional academic enrichment
- Teach and develop workforce readiness skills
- Promote social and real-world engagement

LSU

Independent Living Assistant

- Provides day/night residential support

"As much as I have strived to give Cole the best life possible, this experience that y'all are providing through ICS is a game changer! Thank you."

-LR

Tiger Mentors

- Provide academic, workforce, and independent living support
- Attend social events with the residents
- Assist residents during recreation time
