

INSTRUCTIONS FOR COMPLETION OF BOARD OF REGENTS INTERCOLLEGIATE ATHLETIC BUDGET FORMS

The intercollegiate athletic budget forms (BOR-ATH-1, BOR-ATH-2 and BOR-ATH-3) must include all revenues, expenditures and transfers related to the operation of all men's and women's intercollegiate sports programs for the year indicated. On the enclosed forms, institutions must provide detail of the items included under the column entitled "Other Activities." These items reported here are not sport specific.

The BOR-ATH-1 and BOR-ATH-2 forms are now populated automatically from the data entry on the Athletics tab in the "BOR Data Entry" workbook. Fields from the data entry are also linked with the creation of the BOR-1, BOR-3, and BOR-4 Summary.

General Instructions for Completion of the Athletic Budget Forms

- Report all amounts to the nearest dollar.
- Report all expenditures related to intercollegiate athletics which are paid by an institutionally held fund. - Report all revenue and expenditures for women's athletic programs in the column entitled "Women's Athletics." The sport-specific and other sports columns are for men's athletics only.

For example, if an employee works 20% of the time for an operating budget function and the remainder of the time for the athletic budget, only 80% of the employee’s salary may be charged to the athletic budget.
